

November 5, 2008

*To All of Our Friends and Partners,*

The last of the autumn leaves are falling and the Season of Giving is right around the corner! Sweetwater is looking to do something special this year. Our Director of Safety, Patrick Moore, is currently stationed in Iraq with the Army Reserves. He is a compound commander, overseeing about 50 soldiers and a handful of work dogs, who toil long days away from home and hearth.

We would like to prepare some holiday care packages for his group, and are accepting donations from employees this year. Patrick has expressed how they would love holiday treats from home and toys for the dogs. Maybe some personal items with a holiday twist!

Sweetwater employees have always enjoyed your holiday gifts for the office, but this year are asking that you consider instead donating to our fund to send some Holiday Cheer to Patrick and his unit. We know how much it will mean to them to know that we care, and want to do something for them.

Now, you probably know how important dogs are to us at Sweetwater, so we'll be including rubber toys and "cookies" for the canine unit too!

Please contact Paula Attanasio, our Marketing Coordinator, or Mary Ann Fuardo, Office Manager, if you'd like to participate. It is important to get commitments by the 21<sup>st</sup> of November so the shipment can be prepared and sent by Thanksgiving weekend.

Thank you for your consideration of this Holiday program that we are very excited about!

Regards,

Ron Witt, Sr.  
President
